SEBAGO FINALLY A WINNER

TAKES TIDEWATER PURSE AT NORFOLK AFTER STRING OF DISAPPOINTMENTS.

Horses Run Well to Form Over Heavy Course at Virginia Track-Husky Lad Changes Hands After Selling Race Victory.

Norfolk, Va., November 29.—A majority of the races at Norfolk this afternoon furnished stirring contests in which the winners were first home by small margins. In three of the races the outcome remained in doubt mill the official placing was alliplayed. Four favorites won and some of the others were beaten only because they were the victims of bungling rides. The weather was cold and the track beavy and from present indications there will be little if any improvement in track conditions tomorrow, as it will probably freeze toulght. A steeplechase handicap divided interest with the ridewater Purse, a dash of seven turlongs for all ages. Sebago, after having proven a disappointment for his people on several occasions, made good in the Tidewater when he beat James Dockery a comple of lengths. Sebago was the mellinn of heavy backing and won easily after being reserved behind the pace to the stretch turn. Fiel, at 30 to 1, and Dipper, at 40 to 1, won their races by loads. The latter's victory was a lucky one, as Beckeley was undoubtedly best and lost only because Martin was mable to do him instee at the finish. One of the closest finishes of the meeting came with the running of the sixth race. In which Emily Lee, Argonant and Outlan fullshed noses apart. Emily Lee was ridden by "Pad" Minton, who, although ridling as an apprentice, is probably older than any other jockey here. Minton was employed for a number of years as head exercise lad for Coi. P. T. Chinn. This was Minton's maiden victory.

The steeplechase contingent again scored heavily on the layers when Nottingham won the jumping race. On past performances Jesuit tooked the next thing to a certainty, but he was not equal to the task of leaning. Nottingham this afternoon. The latter followed Jesuit to the last fence, then assumed an easy lead and drew away in the street lasking to a certainty. But was more equal to the laster followed Jesuit to the last fence, then assumed an easy lead and drew away in the street lasking and was sold to Sam Louis on his bid of

TWO PURSES FOR CARMAN STABLE.

New Yorker Starting Off Well at Juarez-Ladies' Day Observed for First Time.

El Paso. Texas. November 29.—This was the first indles' day of the season and members of the fair sex accepted the hospitality of the Jockey Chib y attending in large numbers. It was an ideal day for racing, but the track still remained a trifle slow. R. F. Carman furnished two winners. Compton, an odds-on choice, scored in the opener at five furiongs, while Elizabeth Harwood beat a fair lot decisively at six furlongs in the fourth. Crossover was heavily supported, but was unable at any time to compete with Elizabeth Harwood and finished in the ruck.

The fifth race brought out an ordinary lot of sell-ing platers. Minco Jummie, heavily backed, showed good speed for a quarter of a mile, and then quit. Sidney Feters, who was running close up with the pacemaker on the turn for home, crossed his legs and fell. The others being well spread out at the time, all escaped with the exception of Arthur Hyman, which came along and fell over Sidney Peters. Neither rider was hurt. Arthur Hyman was so badly injured that he was immediately destroyed.

Au 'Anstralian bookmaker who had been expelled by one of the country clubs turned up at Sydney and attempted to do some future event business on the Caulfield course at the close of a day's racing, "He donned the bag after the lust race," says The Referee, "and was doing considerable business when the Victoria Racing Association detective appeared on the scene." The bookmaker was forced to return the money he had taken in and jeave the place.

Even since reading has been one of the leading

the money he had taken in and leave the place. Ever since racing has been one of the leading sports in Canada, that country has been a good market for the American thoroughbreds, and now it proposes to come over the flue for other horses. A big company has been formed in Canada for the purpose of buying half-hred horses. The idea is to buy yeartings and two-year-olds. To that end a communication has been received at the healingarters of the New York Breeding Bureau, and within a short time a committee will be sent down to look over the produce of the bureau stallions in New York State.

Lexington, Ky., November 29.—In a conversation concerning racing and the government of racing, Edward R. Bradley, owner of the Idle Hour Farm, stated today that he has made up his mind to ask the Kentinsky State Racing Commission to make the appointment of a starter for the Kentucky tracks in future and that they adopt a measure making the starter directly accountable to the commission and to no others for the work and his acts. Mr. Bradley, in discussing the motives infinencing him, criticized the starting in Kentucky during the past season and the starting in Kentucky during the josteys, Mr. Bradley favors an arrangement by which the employer of a jockey who believes himself unfairly treated in the matter of suspensions, may appeal to the commission.

He will present the matter to the Kentucky State Racing Commission at its next meeting.
